Stay in School

Succeed in Life

Succeed in School

Succeed in Work

Did You Know?

A student involved in the arts is **four times more likely to be recognized for academic achievement.**

Students who take four years of arts and music classes average almost **100 points better on their SAT scores** than students who take only one-half year or less.

The arts are recognized as a core academic subject under the federal Elementary and Secondary Education Act, and **49 states have adopted standards** for learning in the arts.

For these facts and more, download the **Arts Education Navigator e-book *Facts & Figures***, chock full of useful research.
